

29

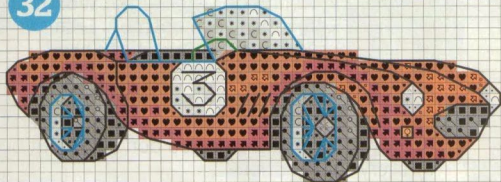

DO YOU KNOW?
 The first-ever recorded motor
 race was held on 28 April 1887,
 in France. The course was just
 1.2 miles long, and it was won by
 Georges Bouton. However, it was
 an easy win for Georges, as —
 believe it or not — he was the only
 competitor to show up!

36

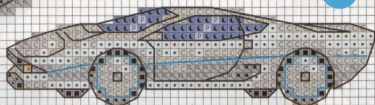

tip

For a passionate
 classic car fan, why don't
 you make a sampler of their
 favourite vintage motors?
 Add the model name and
 the year it was produced
 in backstitch

39

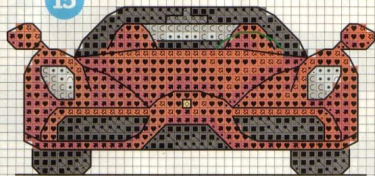

40

tip

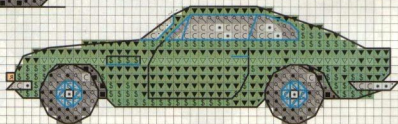

It's easy to change the colours of these cars, to personalise them, as most only use two or three tones. Use a shade card to figure out which threads will look best

15

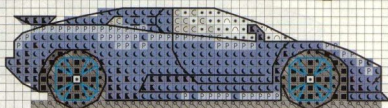

There's loads of brilliant cars in this collection, but if there's a type of automobile that you'd like to stitch that's not included, then why don't you ask Jenny Barton to fix it for you? Turn to page 38 to find out how you can get your dream car charted into cross stitch!

My inspiration

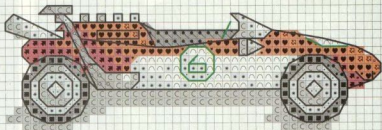

Debra Page

"I don't know about you, but it's always nice to find a collection of designs that's suitable for men. Sometimes they can be so tricky to stitch for, can't they? Well, I think that there's something for every sort of gent in this range – from classic-car enthusiasts, to movie lovers and even comic book fans!"

---	-----	-----	------	----------------

✗ Backstitch in two strands

—	B5200	1	2401	white
—	317	400	1714	dark grey
—	666	46	210	light red
—	762	234	1804	very light grey

These designs were stitched using DMC-stranded cotton

14

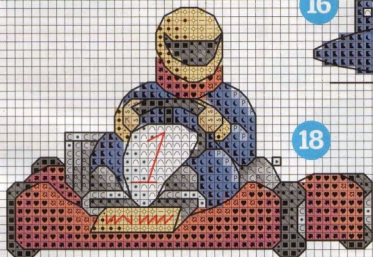

tip

Lots of these designs have fractional stitches to create all the detail. If you are new to fractionals, turn to page 97 and read our 'How To...' guide
